## ACC - organisation on move

- Amudha Civil Construction is in the field of construction business since 2001.
- Till today we have promoted many flats and individual houses, which has equalled to a total of more than 3lakh square feet of quality work and has won the hearts of many happy customers.
- What was started as a small business, now blossomed into a construction company that has the resources, expertise and experience to handle large projects. Our main focus is promoting apartments, independent houses, multi story buildings in large scale.
- Amudha Civil Construction is a concern established for the customers looking for the affordable budget individual house and residential flats and the organisation aims to give it with low cost with high quality and standard specifications.
- All our projects are planned and executed by qualified persons. This ensures 100% compliance in quality. Our ability is to carry out projects on a turn key basis frees the customers from bothering into many issues that will arise in building construction.

## Evolution of Amudha Civil Construction Private Limited (ACCPL)

- Keeping our prime focus on Customer satisfaction and Trust, and to enlarge our base, the need is the birth of "Amudha Civil Construction Private Limited" (ACCPL) in 2012.
- ACCPL endeavours to perform beyond customer's expectations through stringent quality measures like using state of the art construction technology, building elegant eco friendly buildings, ensuring prompt delivery and establishing long term relationship with the customers.
- ACCPL employs qualified Civil engineers, Electrical engineers, Commerce graduates on permanent roll to take care of qualitative work at each stage.
- ACCPL blends the age old traditions of Vaasthu-Shasthra, combining them with new age architectural innovations.

## Mission & Vision

### Mission

- To perform for our customers the highest level of quality construction services at fair and market competitive prices.
- To ensure the longevity of our concern through repeat and referral business achieved by customer satisfaction in all areas including timeliness, attention to detail and service-minded attitudes.
- To maintain the highest levels of professionalism, integrity, honesty and fairness in our relationships with our suppliers, subcontractors, professional associates and customers.

### Vision

- To be a concern that is in a position to take up any challenge in the infrastructure industry. To be a role model for other upcoming companies in the similar sector in future.

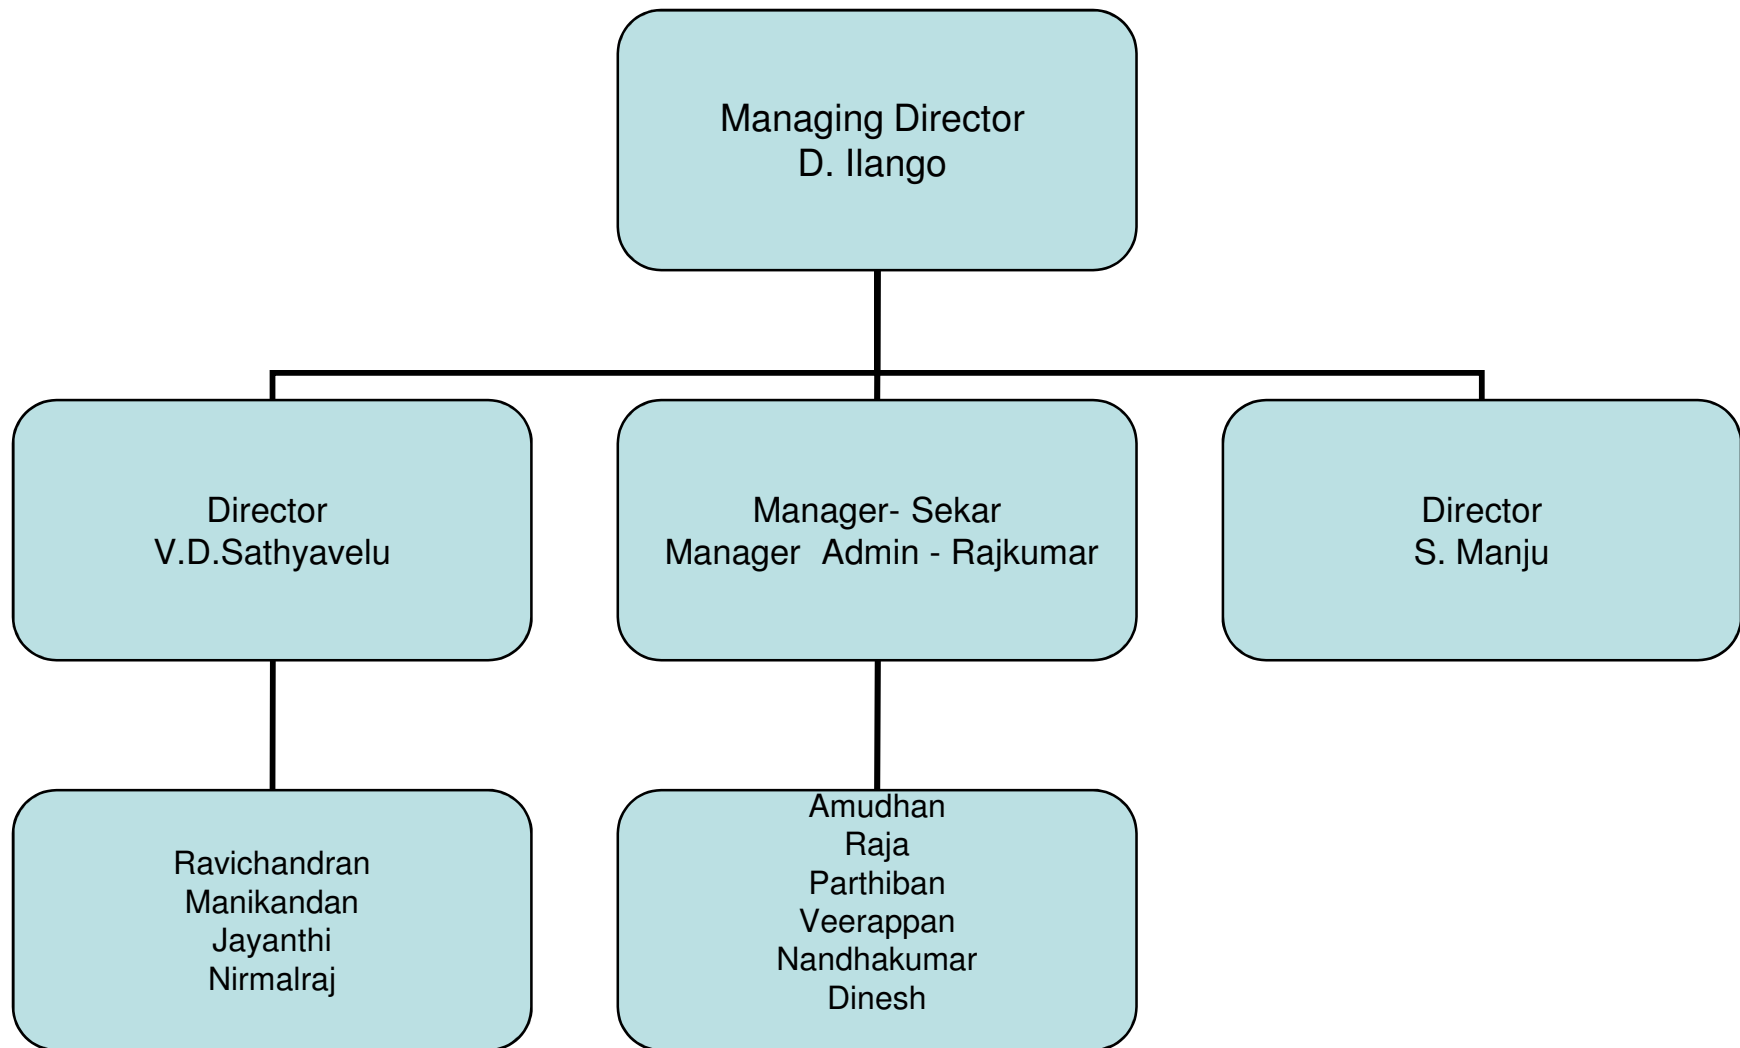

## Board of Management
